the world's longest span when it opened in 1937.

Columbia Pictures Corporation

Columbia Pictures Corporation

Then Vice President Richard Nixon threw out the first pitch when Candlestick opened in 1960. On August 29, 1966, The Beatles played their last concert for paying fans at Candlestick Park.

Columbia Pictures Corporation

Golden Gate Park is similar in shape but 20% larger than New York's Central Park.

Columbia Pictures Corporation

Paramount Pictures

Focus Features

The dome of SF's City Hall is almost a foot taller than that of the US Capitol Building. In 1954, Joe DiMaggio and Marilyn Monroe married at the Beaux Arts-style building.

Focus Features

First established in the mid-19th Century, SF's Chinatown is the oldest and largest Chinatown in the US.

# Film Locations in San Francisco

In the 1940's, the house became a 14-unit apartment building that housed jazz musicians including John Handy. This location serves as the hideout for the San Francisco-based character Nomi.

Unpronounceable Productions, LLC

The mural painted outside the building was painted by 7 women artists including Juana Alicia, Miranda Bergman and Meera Desai. The computer lab scene was filmed inside the building.

Unpronounceable Productions, LLC

An extremely popular location for weddings, the namesake of the ballroom was an architect most famous for her work on Hearst Castle.

Unpronounceable Productions, LLC

Unpronounceable Productions, LLC

Martin Luther King, Jr. gave a sermon at the cathedral to celebrate the completion and consecration of the church in 1964.

Unpronounceable Productions, LLC

Many films have shot scene in and around the building including Raiders of the Lost Ark, Invasion of the Body Snatchers, Dirty Harry, The Towering Inferno, A View to a Kill

California Palace of the Legion of Honor was completed in 1924, and on Armistice Day of that year the doors opened to the public. In keeping with the wishes of the donors, to “honor the dead while serving the living,” it was accepted by the city of San Francisco as a museum of fine arts dedicated to the memory of the 3,600 California men who had lost their lives on the battlefields of

The Bentley Reserve is the former San Francisco Federal Reserve. Designed by architect George W. Kelham and completed in 1924, the building has been a prominent landmark of the Financial District for 89 years.

Po Valley Productions, LLC

Po Valley Productions, LLC

The Marriott Marquis opened on October 17, 1989, the day of the Loma Prieta earthquake.[7] With better earthquake proofing than several nearby hotels, the building only lost a single window.[7]

Exterior scenes include re-creating the White Night Riots on May 21, 1979 and the Gay Freedom March. Interior scenes included the wedding ceremony for Roma and Diane which had a few Board of Supervisors in the ceremony. The current Clerk for the Board of Supervisors played herself in one of the scenes filmed in the Chambers.
